The LAC lights up red this evening

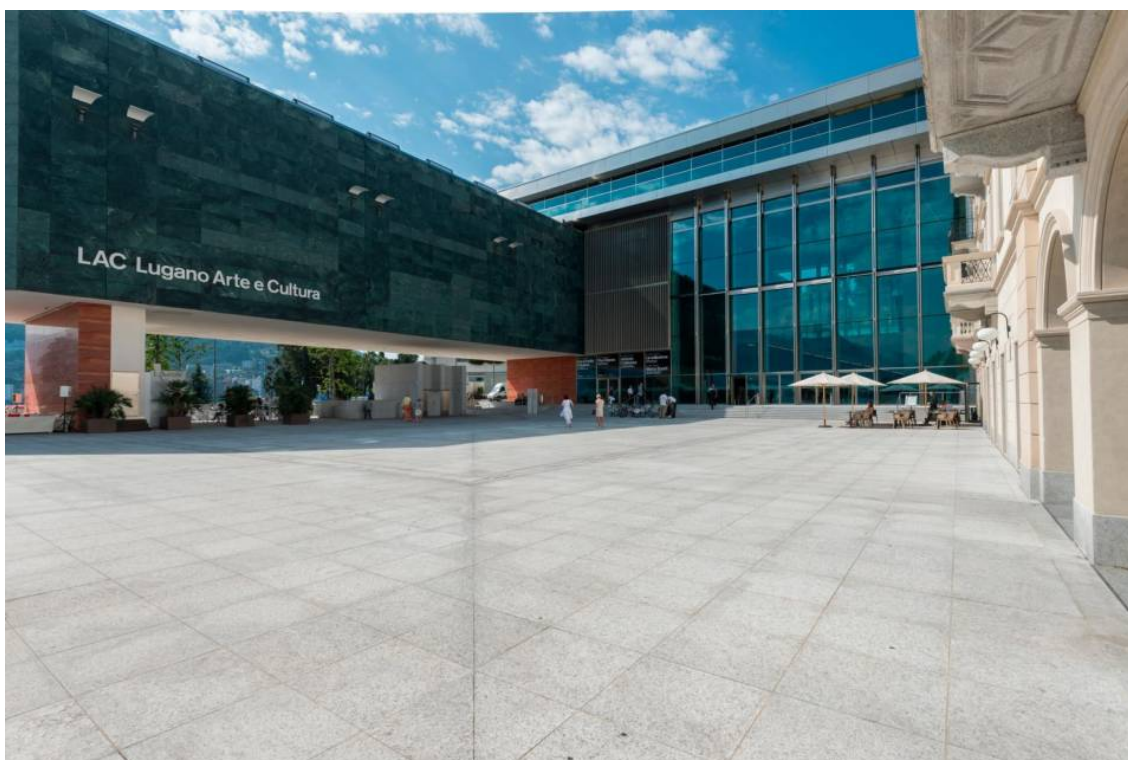

CULTURE The LAC cultural centre will join the "Night of Light" action this evening from 22:00: the building will be lit up in red to draw attention to the difficulties and the restart that the world of is experiencing.

22 giugno 2020 , Red. Online

Areas dedicated to the events and culture sector will this evening be highlighted and lit up in red in order to draw attention to the dramatic situation that has been faced during these last months. It will take place simultaneously throughout Switzerland with 100's of companies joining in to show the difficulties faced - following post lockdown.

The action is promoted by the entire event sector, supported by the trade associations EXPOEVENT, IGFVT, svtb-astt, artos, SMPA and SBV.

More information on the initiative on <http://nightoflight.ch> please support the initiative by uploading your images direct to their website and hashtag #nightoflight_ch
